EDITORIAL. Do any of us even stop to consider the great needs of a little city like ours? Shade trees? Yes, we said shade trees on our streets. They're easy to grow. We need more than anything a City Hall. Don't laugh, we'll have one sooner or later. Our forefathers were satisfied to cook in the fireplace. We're not satisfied with enamel ranges, nickel-plated gas stoves and fireless cookers. These are progressive times! GA. LEGISLATURE MEMBERS. Interesting facts concerning the personnel of the Georgia Legislature which opened this week: 49 farmers, 48 lawyers, 22 merchants, 2 physicians, 2 editors, 10 bankers, 5 teachers, 2 preachers, several mechanics and engineers and 1 or 2 county sheriffs.

ST. GEORGE SUNDAY SCHOOL PICNIC. Under the beautiful oaks the St. George Sunday Schools formed a union picnic. There was plenty of fish and everything good to eat. Thanks to J.C. Boughner and others who contributed their trucks to carry the crowd of young people and old folks to the grounds. Thanks also to S. Cockrell for the fish already cleaned. It was not long before the ladies had the fish fried. Sam Howard and Dr. Vinson kept the fires going. After dinner the young folks all hiked to the St. Marys River for a bath. The only thing that happened to cast a gloom over the whole party was the near drowning of Miss Sara Divan who ventured out where the water was very deep, and came near drowning only for the promptness of young Napoleon B. King, Jr. who swam out to Miss Sara and saved her from a watery grave.

WEDDING. Miss Jewell Walker and Mr. O.C. Mizell were happily married in the home of the bride's grandmother in Waycross on June 15th. SUNBEAM PICNIC. The Sunbeam picnic at Old River last week was most enjoyable for the young people. A truck load of children under the care of Mr. and Mrs. Milton went

down in a truck while the mothers went in other cars. Only the fright when Lollie Mallard and Myrtle Allen fell off a log in deep water marred the pleasures of the day. The afternoon was spent playing games and swimming.

JOHN H. SMITH DIED. Brother John H. Smith was one of Methodism's most beloved members. For many years he was a resident of this state (North Carolina), but he moved in 1918 to Winokur, Ga. where he lived till his death. He was a son of John E. and Mary E. Smith and was born in Marion, South Carolina on March 25, 1857. In early childhood he became a christian and united with our church. On March 11, 1885, Bro. Smith was united in matrimony to Miss Cornelia Fisher of St. Pauls, N.C. Unto this union there were born seven sons and three daughters: Loren, Linus, Will, Claud, Frank, Coke, Clyde, Almena, Paunee and Sallie all of whom are living but two, Sallie died in infancy and Clyde died in Camp Screven, Ga. on November 11, 1918. The wife is still living. Bro. Smith leaves behind two sisters, Mrs. Mattie E. Bristow and Mrs. Eliza Jane Parker; also two brothers, W.S. Smith and Charlie E. Smith. He was very anxious to build a Methodist church near his new home in Georgia, and had placed part of the material for the building. God's call came before this was done. On Tuesday, June 1st, 1920, the end came. He had lived 63 years, 2 months and 3 days. His body was returned to St. Pauls, N.C. and laid to rest in Fishers Cemetery.

The building will contain 14 rooms, and will be two stories high, of a modified California bungalow type. The building is being erected on the corner of the block adjoining H.J. Davis' residence. There will also be the kitchen, storage room, bathroom and guest chamber on the first floor. The second floor will be bedrooms with a small study and reception hall.

FIRES. About one o'clock Tuesday afternoon the home of Mr. and Mrs. W.J. Jones was discovered to be on fire, catching between the ceiling and rafters, from the kitchen flue. Prompt assistance removed all the furniture but the pretty home was a total loss. Mrs. S.H. Mattox owned the home. We understand there was a little insurance but not enough to cover the loss. Wednesday morning early, the recently remodeled home of R.P. Bell was found to be on fire around the chimney. It was promptly extinguished with very little damage.
